thanks Vito
I found them during practice but the wind on Friday kept me off them and moved them quite a bit.
I went back on Saturday and almost gave up on it.
Around noon I went back and poked around, it seemed they moved out almost 50 yards, but they were still there and they were good ones.
Just call me "Offshore Packes" :laugh:
Every one of them ate my jig, which I'd be happy to share with anyone who asks.

Again, I had a lot of fun with you guys and am sorry about Friday night, Francine wasn't feeling well.....that weather Friday was challenging physically to say the least.

Nothing but love.....no homo

Sorry for the late response- work and family , and for some reason I couldnâ€™t log into the site - must be all the porn I downloaded ðŸ™•

Congratulations to the top finishers at Saratoga . Great come from behind , Packs! Finding the bigger fish is what this game is all about , and you certainly found the motherload .

Big thanks to my boater all year , Carlos P. Couldnâ€™t have done it without you , bro. Really had to dig into my bag of tricks to catch fish . KVD got nothing on you covering water ..LOL. Who says you need Spotlock !

Another thanks to Mike W for having me on his boat at Congamond . Iâ€™m sure he wonâ€™t welcome me back , based on the days results. ðŸ™•

And to Vito- thanks for helping me get the house keys to my son . I appreciate it much !!!

It has been a fun year and a pleasure to fish with Outcast , I wish I would have made the move sooner . Thanks to Kenny C for welcoming me and Carlos early in the year . Great TD, too!

Letâ€™s gets this winter out of the way and get 2023 going ! See you all next year !

Joe
