Dennis you could come to a meeting and be registered because there you would be asked before the draw, you're not working on Thursday nights are you?

Oh and you'll have to register when it is posted, I'm not busting your chops but that is the way we do it because when we are ready to draw I check the site for those not present at the meeting to see if I have the latest list of those registered and if I forget that you're in all of them it just makes it more difficult for me so please check the schedule and register when the tournaments are posted.

B) :huh: :huh: :dry:
