I am in with a partner who said he was going to pay his dues weeks ago but so far has not, but if he does not I will fish alone or find a member looking for a ride!

Paid members - Bob G.  
Non-paid Dean K. and Doug P. (Hope we get to see these guys this year). It was nice seeing them and Chris Z. at family fun day.

The only one who is identifiable by his unrelenting accent, and the only one actually from Greece is Adonis! Everybody else is just a descendant!

easy my newly slimmed down friend.....check is in the mail this morning....it hasn't been easy the last few years having been financially accosted by a jewish ex wife with a jewish accountant father with a high powered jewish lawyer....each of which is overly attracted by just the smell of cash much like a school of sharks are attracted to blood in the water....no offense to my bean roasting Hebrew brother who has, in his undying generosity, shared his caffeinated wealth with an outcast brother goyum. We'll have 8 hours if you feel the need to hear the complete story.....:laugh: :unsure: :huh: :dry: :S B)
