Okay who is coming out to family fun day at Oscawana on 6/28/14?

Hours are 8AM to 2PM.

This tournament does not count in the standings all the details will be at the meeting this week!

As a note we try to bring children or other family members out to fish and compete in a friendly tournament. This is free fishing weekend in NY and no one needs a license to fish in NYS on this date. Children, wives, or others who really do not fish are encouraged. If you just show up to beat the kids without bringing someone that is frowned upon, stay home instead.

It's a fund raiser for the club at \$25 for the boat, bring as many as you want but a 5 fish limit from each boat which can be anyone's combined bass is all we bring in, yes you can mix and match unlike our other team functions.

Optional luncheon of \$5.00 for the boat and that is the only payout.

If you have questions show up at the meeting this Thursday 6/19/14.

Hope to see you at this event!

:woohoo: :laugh:

Since anyone can buy into the classic why don't you give the winner of family fun day an automatic classic spot. This might help attendance
