
Favorite Lures

Posted by Joe - 2015/01/07 22:14

I noticed an old post where we asked all of our club members to pick two lures that they would fish with all year, every season if you could have only two? What would your two lures be? Write your name and your choices next to it.

Joe I. - Jig (All Terrain Tackle 1/2 oz.) & crankbait (Rapala DT 12)

Give me a deep & shallow diving jerkbait & Ill catch on it all times of the year

Its all about the cadence
.fish dont care what time of the year it is..
