## Congrats to Cowboy Bill and Kurt 1st Place TEAM

Congratulations to Cowboy Bill and Kurt for their TEAM Tournament Victory on Saturday. On a very tough day they were one of two boats where partnered anglers both weighed fish. Congratulations to Bill as well for weighing in the tournament Lunker. Kudos to Vito who finished in 2nd Place despite fishing alone.

.....NOW THE BIGGEST QUESTION OF THE TOURNAMENT!

Did anyone besides Bob and I see the fully naked woman spread eagle in the lounge chair on the West side of the lake? She was pretty hot, probably in her mid-thirties. She was laying there while her two sons fished naked from their dock. Billy Dust and Joey Bags were trailing us along the shore line at the time. Did you notice anything boys?

Hey Paulie....

I guess that is why there is a low fish MORALITY on the lake.

Congrats to Billy and Kurt bringing in 15 Lbs. 0.5 Oz. between them.  
The big bag of 11 Lbs. 12.5 Ozs. that Bill brought in was impressive for that tough day, again congratulations.

On the other note hey Joe how about a photo of said spread eagle naked 30 something chic? You sent me a crap picture of Bill and Kurt that you should have deleted, and clean the lens of your camera!  
And yes JP he was very selfish not to tell us in a text.

:laugh: :laugh: :laugh:
