Congrats to the TOP Finishers at the Mahopac Tournament on June 17th.

First Place Chris G. Also had Big Bass for the tournament.

2nd Place Jimmy K. with another Top 3 finish. Two seconds and a third in the last three tourneys. (He's on Fire!)

3rd Place with his first Top 3 finish Ken H. Nice job by all on a day when the fish were super active. I believe that every club member weighed in a limit.

Hey Mike sorry that Nicky was not able to fish due to his thumb injury. That is the kind of day that you want to get a kid out on the water, non-stop action. Wish him a speedy recovery and have a safe trip.

Congrats to the guys who found the big ones A ridiculous day of fishing . So many I lost count at 30 . I was great to see the club looking so strong.It was the first day i used the Keep Alive System and i have to say it worked perfectly . My fish were in great shape at the end of the day and swam off after the weigh in.

Mike I also used the Keep Alive system and the bigger Smallies I had in the livewell from very early swam away better than if they were released when caught. It's a great system and will definitely help keep the Bass alive!
