In with the tin boat... and also starter boat Iâ€™™ assume  
It doesnâ€™™t say team on the schedge so Iâ€™™d say it individual

Just so you know, it is 2 separate tournaments!  
If you look at the schedule you will see #6 is June 29th and #7 is June 30th.  
The tournament number would be the same if it was the total for 2 days fishing and as you can see it is not. It was put in place that way so that if some members could only fish 1 day they would not be excluded from a possible win!

:huh: :huh: :dry: :)
