Candlewood Lake Squantz Pond 8/11/18 we are fishing from 7 AM to 3 PM.

The starting order is;

1. Big Dennis
2. Mike and Nicky Wiltshire
3. Kevin Kohler with Frank Kavanagh
4. Bill Steinmann with Joe Riese
5. John Angrisano with Bob Grigonis
6. Vito with Brian Holec
7. Jim Faulkner with Ray Curiale
8. Bill Kohler with Kurt Waffenschmidt
9. Dennis and Francine Packes
10. Adonis

As we always do, each boater must sign the "Clean Boat Certification" before launching, if you launch without first signing the paperwork you cannot be in the tournament.

Do not be late I will be at the launch until 6:30 AM. If you are late and do not sign by then you are out! The Connecticut Dept of Energy & Environmental Protection mandates this paperwork and we will follow it.

:huh: :huh: :huh: :dry:

Unfortunately, my Tahoe is in the shop and I will not be getting it back until next week which means I am out for Candlewood!

Bill Steinmann will have the paperwork that every boater must sign as well as the scale and weigh in equipment.

Good luck to all I am not happy about missing this one but I have no choice!

I just received a message from Adonis that he will not be at the tournament either. He thought that I was going so he was  
contacting me so I would tell everybody. So the new starter boat is Team Packes.
