Incredible fishing this past week with the Elites

Our Classic next year..lol

Could you imagine our little boats on there..lol. I'll stick to mahopac for now.:ohmy:

Actually it's only an 1hr longer then bomoseen if we left now...:laugh:
& that is with Sunday night citidiots back to the city & weschesta traffic...:S

Itâ€™s 420 miles to where they fished. Very dangerous is you donâ€™t have detailed maps on your electronics. Was there August18th

The river is pretty good and isn't too bad for the smaller boats but most of the big bags come off the main lake and that can get rough real quick.

Chaumont Bay is fishable and the fishing is great
