I would like to thank all of those who came out for Family Fun at Oscawana on a beautiful day on the water!

Team Vito included; Vito & Theresa with their grandchildren: Victoria, Joseph & Vito.

Team Kenny included; Kenny and Roseann.

Team Jimmy "JP" Faulkner included; JP & Keri with their children Hailey & Jocelyn.

Team Jimmy "Paint" Kancza included; Jimmy & Marci with their sons James and Nicky.

Team Paul included; Paul Ritchie & and his friend Sean.

All the teams had a great time and Mother Nature also cooperated (except for the wind at times) and this was a pleasant day on the lake.

All the young anglers received a trophy and after some strong lobbying by his grandchildren so did Grandpa Vito! :laugh:

I thank everyone who came to this event and made it a success.

:) :) :) :laugh: :huh: :dry:

I don't know Kenny I think we should just let him take them. I'm sure JP will be able to concentrate really hard well he's fishing. Lol
