Congrats on a great TX and season to both you and Ray and what a tight race. Before the weigh in at Mahopac Kevin was convinced that you won the TX and Angler of the year.

Only 1/2 oz difference on the TX and 1 Oz for Angler of the year - What an Amazing race!!

Both Kevin and I Admire your Fishing skills and I'm sure that the rest of the club feels the same way. I feel very strongly that you will be AOY next year.

Congrats to Vito, Nicky and Bill S for your top finishes also.

I also want to take this opportunity to thank the TX committee for the wonderful Job that you have done at each TX.

I want to thank you Frank for your appreciation of what it takes to keep this all together and moving forward! It is a little bit of a hassle at times but it is also a great experience and has created all of my very strong friendships. I am very happy to be a part of this club!

Kevin's win was by one point and yes a tighter race couldn't happen, that 1/2 oz was everything! Please make sure Kevin know's we all congratulate him!

JP I know that you mention not fishing as much with the club next season so I have to ask you something regarding your statement. Do you think that you would be fishing at least 5 events? The reason being that our elections are next month and I want to nominate you to be a member of the tournament committee. I believe that your insights and fishing knowledge would be such an asset to the committee when making the new 2020 schedule.
