
The Final 2020 Regular Season Tournament

Posted by Kenny - 2020/09/05 17:05

Had to be moved as we are not going to know about Candlewood too soon so I called Oscawana and they are available, so I booked us there. I did this with the knowledge and permission of the tournament committee.

I know some of you may not like this but we could have run into a situation where we would have nothing if we waited. It is not always easy or pleasant to do these things so I hope you guys understand and we believe it's better than staying at home.

Let's end 2020 regular season on a good note and I ask you guys to come and catch some Bass with us!

Brian and others like my good friend

Pat Reilly (Rest In Peace I miss you) have shown us there are some really big Largemouth Bass there! Also don't forget Francine's 4 lb 13 oz Bass last week!

:laugh: :laugh: :cheer: ;) :huh: :dry:
