Thank you everyone. Tough weekend for sure.

Francine was super excited with her finish and hopefully she continues to progress

It was especially rewarding to spend time with the people I consider more than friends.

Congratulations to Dennis Packes 1st Place and the only participant to catch Bass on both days of the tournament! Although you gave me a bullshit story about the "Island"! :laugh: But it's all good!

Congrats to Mike Wiltshire for taking second place with 2 Bass on day 1, man it was tough, and that nice 5 lb 9.5 oz day one lunker was fantastic!

Congratulations to Francine taking third place on the toughest weekend I have ever seen on a lake that is supposed to be so good!

I have to say that I hated leaving early but my energy was zapped and I had to go!

Only 11 total Bass caught by 13 talented anglers in 2 days was awful!

I am so happy that we all were together for dinner both nights as that was the time I enjoyed the most!

And thank you Dennis and Francine for the first aid kit and I will keep it safe until I return it.

Dennis Packes takes 1st Place in the 2020 Classic on Cayuga Lake 9-25-20 & 9-26-20.

Francine Packes takes 3rd Place in the 2020 Classic on Cayuga Lake.

Congratulations Francine, you earned this on a tough 2 days of fishing where 7 out of 13 of us came in with nothing for 2 days!

Joe Innella did well to weigh in a Bass on day 1, but was edged out of the top 3 by 1 oz. So honorable mention for getting to weigh in a bass!

It was tough, as I know all too well!

My only real enjoyment for those days came at the evening dinners that all 13 of us attended together! This is ALWAYS very important to me and they were the highlight of the weekend for me as we always have a lot of laughs! And I want to thank Jimmy for all the laughs we had at our own expense in the boat during some dreary fishing!

Due to bullshit rules by our NY governor (Asshole) we had to use 2 separate tables because 13 at one table is not allowed so we had a table of 9 and a table of 4, what a dumb thing but we made it work.

Kenny,

Thanks for posting the pictures and for writing such nice things about our club members. If anybody is watching BASS Live right now from Guntersville they are struggling as well, saying that it's the fall doldrums. But as always somebody catches them so again congratulations to Dennis Packes on his Classic championship!
