
Register Here for Tx #10 Bantam Lake 8-21-21

Posted by Kenny - 2021/08/13 07:44

Read this entire post before you register!

We have a permit for only 10 boats, therefore we will take the first 10 with a partner! If you register with a partner, make sure that person shows up!

If we have more than 10 and cannot resolve it the permit and tournament will be canceled!

All that being said the cutoff is Wednesday 8-18-21 at 4 PM! at that point we will know if adjustments with partners or cancellation is necessary!

Between Vito, Kevin, Adonis and myself we are trying to make this work.
I gave up my partner Brian so Vito has a partner. Vito is set.
If Frank is medically cleared he will fish with Kevin and Adonis will fish with me.
If Frank can not fish. Adonis will fish with Kevin and John A. Will fish with me.
This will make one less boat. As Adonis will now be a non-boater either way.

Guys if the top 5 in points are not fishing than I am out of this TX.
Joe Reise has made every tournament this season and since he did not check the website and no one registered for him
he shouldnâ€™t get screwed out of fishing this TX.

By the way I am hoping this is not the movie Bannanas, with Woody Allen.

Thank you Jimmy, Joe and my brothers.

I did what I could to try and make this work for everyone. If Joe Riese is the 11th boat I will withdraw from the tournament so that he can fish. Jimmy you are in the AOY race and I am out of it this season.

Joe no reason for you to think this is your issue.

To be honest Iâ€™ve couldâ€™ve sent out a mass text to the entire group so no one gets left out. Either way it is what it is and life goes on.

Enough mud slinging!

This situation goes beyond the starter boat, we can only have 10 boats as that is on the permit! We have not even reached the cutoff date yet so forget the starter boat scenario.

If we have more than 10 boats and guys show up without a partner and were supposed to have one last minute I will cancel the permit on the spot and there will be no tournament, no weigh in and everyone gets to fun fish!

There are far too many convenient "no show" partners last minute and that issue will be addressed in the off season as it was never a problem until most recently!

I will attempt to resolve this prior to the date of the tournament!

Or take bantam off the schedule so we have no further issues.. and I don't think anyone was slinging mud!!we were having a discussion..isn't what this website is for)

Okay it has been worked down to 10 boats! If anyone is dropping out I need to know as soon as possible!
Also registration is closed now!
No further boats will be accepted now unless a boat drops out!
Boat numbers will be drawn and posted Thursday 8-19-21 evening.
Thanks to a bunch of thoughtful guys who helped work this out!
