Congrats to the top 3 winners.

First Place Kevin and Frank

Second Place Joe and Brian

Third Place Adonis and Bill S

Special Thanks to Kevin who made it possible for me to fish this TX.

I had an accident on July 8th where I sliced my calf really bad. I have had wound care and Physical Therapy since then and I am still having the wound care. Until just recently I had to use a walker to walk! Now I am just starting to walk again.

Kevin won the team TX without any help from me because I skunked!

Thanks again Kevin giving me the ability to fish!

Thanks to Outcast for being such a Great Club.

Thank you Joe. I am so sorry for your loss.  
I guess that Heaven needed another Angel.

It is also an honor to be on the water with you Joe.

I will see you at Candlewood and I hope that I can catch one or two (or five lol)

Unfortunately, I will not be fishing Candlewood either. Tight lines!
