I spoke with Rob Osman through Messenger. Unfortunately he has to sell his boat. Please see details below;

1999 Ranger 462vs dual console . Repowered with a Merc 4 stroke in 2016. Single power pole , Minn Kota 24 volt up front. Lowrance 12 with sidescan at the console and Lowrance 9 at the bow . Manual jack plate . Has its blemishes but runs awesome. Looking to get 17k
