Thank you for asking, however, he did not like when I spoke about him not feeling well. He made it home safely and will follow up with his doctor. I suggest that you reach out to him privately. Sorry for being so vague. Stubborn Greek. Lol

Thanks, Kenny for the Pic. Maybe I will learn to hold those fish properly for a good Pic.

And more importantly Maybe I can learn how to catch these big girls - even behind Kevin!

Hey Frank, you are doing just fine, the pictures are great and the fact that you are having fun doing this is fantastic and you can probably teach all of us a thing or two!

It's a pleasure to have you there as always and you truly are an Iron Man fishing under tough conditions!
