
Salt with Kenny and Leigh 8.9.09

Posted by Bassthumb - 2009/08/09 14:24

Fishing was great first few hours. Blitz of cocktail blues 2-4lbs on topwaters. Double and triple hookups. Fluke fishing was slow but a couple nice fluke came up including a keeper 21" by Kenny. Fish was released, sorry Joe. Leigh also landed a nice sized fluke. Then the weeds got to heavy for Leigh to deal with, Kenny fought for one more fluke. Good day, lots of fun. Can't wait till the bruisers come through.

My pleasure guys. I really dig getting out in the salt. Anybody who has not been out and would like to just give a ring. It'll be a different ball game when the bruiser blues start running in the next few weeks.
