Congratulations to Dennis on winning the 2009 Angler of the Year Title and also BIG BASS for the year. It was an exciting race for the title. Also Mikey W. should be commended for making it so close. Mike and Dennis were also the only club members to make it to the 100 pt. club. Outstanding year guys! Good Luck in the CLASSIC.

Way to go DP!! That was fun...the last few weeks! All the wise cracks and texts were enjoyable! Just another thing that makes being a member of Outcast the best!! Therefore, being the AOY of Outcast is something to be proud of. Some real good anglers and some tough bodies of water this year made it challenging. Consistency is what it is all about. Way to stay steady!! See you next year!!

BITCH!!
