
Tackle Hatch and Pro Pole pedestal base

Posted by Joe - 2010/01/06 17:58

http://outcastbass.com/images/fbfiles/images/Joe_Hatch_006.jpg Hey Guys,

Anyone interested in a few items that I bought last season when I was extending my deck. They are all brand new. I just changed my original layout plans, so I never used them. If no one wants them from the club I will post them on NY Bass.

Asking \$10.00 1- Boat Seat Pedestal Base Stainless Steel 3/4 PIN,I paid \$28.85 from Great Lakes Skipper (still have the receipt)

Asking \$50.00- 1 Tempress Water Proof Hatch 23" X 13 1/2" & 1 Cabela's liner for hatch. Retail liner is \$49.99 & Hatch Cover is \$79.00 Both for \$50.00. Also if you take the hatch and need a 3/4 inch piece of Marine Plywood, 48" X 50+", to do the job it is yours for free.
