I'd just like to say that I am glad that the Brothers of Outcast accepted me into the "Family"....

After close to 4 yrs without tx fishing due to job related BS,I couldn't think of a better place for me to be as far as Bass club fishing is concerned.

I strengthened some old friendships,met some new and very interesting people,Wrestled a Giant,Fell out of a moving vehicle,learned you could make baits out of pork skin from the deli(that catch fish Big Time,)and at any time, you can absolutely either be great or suck at catching Bass....

I will be a member of this club for as long as you'll have me.Thanks to all who welcomed me in and looking forward to next year.

One thing,I don't know is how Vito fished 12 tourneys and no one else did but it seemed to move him up quite a bit and steal a spot from me.I guess I don't really know how the scoring works yet.When I make every TX next season,you guys are Done!

I'd like to give a Big thanks to Kenny and everyone who helped out and made the season what it was,Great job!

Paulie

You have to be in it to win it. Missed alot of family functions and took days off from work and turned down a hell of a lot of overtime to fish. I fish everyweek I don't need a tournament to fish it's my therapy.
