
Champlain a few days away!

Posted by Kenny - 2010/10/04 10:45

Thank God it's only a few days until we leave for Champlain! I just can't wait to do some fishing! I think my job is really getting to me and the people who tell me be thankful you have a job are no help at all, give me my old job back and I'll be very thankful! :(:unsure: :huh: :dry:
