WOW...that must have been some tough fishing. I hit Candlewood last Saturday will Billy Dust and had a bag that went better than 15 lbs with 4 fish over 3 lbs including a 3.15.

That's what everyone get's when there's no weigh in involved! :laugh:

Try telling that to a new guy! He might believe it! :laugh:

I had a 4 lb 2 oz Largie day one and Vito had a 4 lb 14.5 oz Smallie on day 2! But those were on the scale! :P
