Spoke to Joe R today. He is fishing with Brian Holic. I guess he's starter boat. Whatever, like it makes a diff. I'd be the starter every tourney if i could afford to go.

That works out, with Mike's win on Candy he would have been the starter boat anyway.

Yeah Joe but since Joe Riese registered later, he is the starter boat! :) ...so far anyway!

Kenny,

That is not correct. Joey Bags registered in this posting as a boater on April 22 with Brian Holic as his non boater, the

same day as I did, although I also registered at the meeting on April 21st. The only difference is that I am now Joe's non boater. Mike Krug did not register that he was going until April 30th. Mike K IS the starter boat.

Good so bring it up next year and be part of the solution! Your theory will not change the late registering fiasco!

Jimmy,

You could probably use Bill Dust's 14' jon boat with a 15hp & trolling motor if you give him a call.
