
Congrats to Chis G. on his Lilli Victory

Congratulations to Chris G. on his Lake Lillinonah Victory and also winning Big Bass. Chris weighed in over 8 lbs of bass, catching over 2 limits of bass, on a stingy day. Lake was crystal clear. Could not beat the day though, great to be out fishing.

Congratulations Chris! :) Nice to get a limit which is the first step to getting a win! You have 75 points for 2 tournaments! ;)
I guess the rest of us need to put in the time on the water in order to compete!
Great Job on a tough day! :dry:
