
Chris finishes in 4th at Champlain!

Posted by Joe - 2011/06/19 13:56

Hey Guys we all noticed that Booze was missing from Mahopac yesterday. The reason he was not there was that he was earning a Top 5 finish and a check with a 4th Place finish at Champlain on the BFL Tour. Congratulations Chris!

Thanks guys, partner for day two wouldn't try fishing wood (even after I caught two fish, in two pitches, on two trees) would have cashed a check if I could have gotten those last two fish. Had a Great time up there and learned a bunch of new water down in Ticonderoga.
