
Congratulations to Joey Bags!

Hopefully Joey Bags is lurking on line and will see my post.

Congratulations on a nice bag on a tough day. I think that Bass Pro should give you a Wacko sponsorship. Nice job by Leigh and Bill to round out the Top 3. Also congrats to Bill on winning the Lunker.

Wacko's have no affiliation with Bass Pro Sops! They are made in PA at the Wacky Worm Shop they are the guys to give that sponsorship!

Oh and don't let Paulie Ritch fool you, he throws that Wacko as well! :laugh: :laugh: :laugh:

Congrats to Joey Bags, it was not an easy day to catch Bass on Oscawana!

Get over it Mike, this just proves in the summer you do not have to pick a jig 10,000 times to get a good bag, and none of it was F!@##\$% Venom!!!

But thanks for the backward compliment anyway.

And thanks everyone else!

PS Dom enjoys being on MY boat.

Congrats joe! Thanks for letting me wear my dirty sneakers in your boat and not getting upset and letting me eat an everything bagel in the passenger seat of your car without freaking out about all the seeds I dropped, lol.
