
Lowrance 332c

Posted by NY OZ - 2011/07/27 07:22

I have a 332c I am looking to get rid of. Has everything you need to set it up.
Head Unit, Gimbal Bracket, Knobs, Transducer, LGC-2000 and all wiring(tees, terminators, Power cable).

I figured I would post it here before I put it on BBC. If anybody is interested, I will let them have it for \$300.
