
Free for the taking!

Posted by Kenny - 2011/08/07 11:02

Guys I have an older Mercury foot controlled trolling motor to give away! It is 12 volts and it works. Anyone who wants it can have it free, just pick it up!

Okay then I'll just throw it away!
:laugh: :laugh: :laugh: :huh: :dry:

Kenny,

I should have thought of this yesterday when I stopped by. I will take it if you have not already thrown it out. I'll come and get it either Tuesday or Wednesday.
