From what I understand Paulie and Jimmy are now out as are Billy Dust & Bags. Vito does not think we should go and Kenny & I agree with him.

This tournament should be CANCELED and rescheduled.

I would consider rescheduling but we would need to check with the launch and other plans our members may have made and did so with the schedule in mind!

We will see.....but let me iron this mess out first! Believe me I would really love to get out fishing tomorrow, but for safety's sake we have cancelled! :(

If we were to reschedule the Oscawana Tourney...I would be up for a 2 day where Oscawana took the place of The Whaley Wallop on the 17th,Saturday....and then fish Whaley on the next day,Sunday...Just tossing it out for the idea..."Wood
