And since he's too busy to come on here once in a while he won't know until he's standing there with his tackle waiting for me!

Dennis I guess you forgot the conversation we had last week on September the 8th at 6:56 PM! I told you it looked as though I was going to be able to go and you told me you wanted to fish alone because you wanted to make the Classic! Do you not remember that? :huh: :huh:

And we spoke 2 days after the post was put up! Come on man!

:unsure: :dry:
