My brother just bailed on me today. Need a none-boater. As it stands I will go alone.

Adonis will need to register himself as a boater and then he will become the starter boat!

Kenny,

It looks like Adonis registered (in the registration thread) about 2 days ago.

Unfortunately Roberto is battling a severe case of Cellulitis. He has been hospitalized twice. He will not be fishing this Saturday as his Doctor would not give him clearance to travel from Delaware to New York. I talked Adonis into fishing with me to cut down on the number of anglers fishing alone at Oscawana. I called Kenny to inform him of the change. See you all Saturday.
