
Rest In Peace Wild Bill

Although sometimes we all have our differences there is a time to set those aside and this is one of them! Wild Bill passed away yesterday while fishing in the Adirondack Mountains of a heart attack! I don't think Bill ever had a bad thing to say about anyone as far as I know and I hope he rests in peace and his family is able to deal with the sudden loss!

Rest In Peace Bill!

I agree Kenny....the guy was as harmless as they come and had a gigantic heart.

Rest in Peace my friend.
