
****UPDATE Family Fun Day....Rods & Reels**

Posted by Joe - 2013/04/24 15:21

Hi Guys,

Just wanted to let you know that I received over 25 Southbend R2F (Ready to Fish) combos today courtesy of Southbend and Lunkerville for the kid's to use at Family Fun Day. It comes with a rod, reel and a small tackle kit. Both Kenny and I want this to be a successful event to showcase the club to a National audience. Please find it in yourselves to clear your calendars for June 22nd. Trophies will be awarded to all youth participants as well.

Below is the list of people that have committed to the event. Mike D. will be bringing release forms on the 22nd for us to sign so that the kid's can be filmed. Please if your kid's have friends consider asking them as well.

Joe I. with Mike D. (Looking for a kid to fish on boat with host)

Bill S. w/ Son & Grandson

Adonis with friend and 2 children

Kenny w/ Grand Niece Isabella

Mike W. w/ son Nicky and Nephew Nicholas

Vito w/ Grand daughter Victoria

Oz his Wife and Daughter

Dean K. and children (2)

Chris G. and some of Kenny's family

and possibly Leigh with his nephew

Right now the number of kid's is only 10. It would be great to see at least 20.

Joe R. has mentioned possibly taking members and their children if needed. Hopefully we can get other members to commit. I will be bringing the first set of rods & reels to the May meeting to those that have committed. I will give out more combos at the June meeting before the event. I do not want to be hauling the combos to the lake on the day of the event. I will have the trophies with me on that day.

Anyone who is on the fence or not sure if they are fishing next Saturday please consider coming as we want to present the club in a positive way. At Oscawana I was told by a few people who were originally going that they will not be attending the "Family Fun Day" Outing. If you will be attending and are in need of fishing combos please let me know as I will be bringing them to Thursday nights meeting.
