I figured it out with a little help from my son!

I think that we can do the monthly photo without any problem now that I have it aced!

Cold water December Bass fishing in the Northeast is definitely "Hardcore!" B) :laugh: :dry:

Dennis I have been working very hard at this and it is paying off! I have learned alot working on this site and I will make sure it is the best there is.

We need more of our guys to post here, especially our core guys!

Anyone can be a "core" member all you need to do is participate! :dry:
