
Nice job by all on Lilli....

Unfortunately for me the bass that I found were all short except one. I was impressed with the way club members went deep and made the drop shot work for them. Even though I did not fare well this kind of tournament is a real test. Congratulations to Mike and Jimmy on their 1st & 2nd place finishes. They were definitely Top Boat. Next season, if the new ramp is in place, Lillinonah can possibly work its way back on the schedule as an annual stop. It looks as though the Whaley Whallop will decide the AOY race good luck to both Mike and Chris.

Lillinonah was good and had very good weeds. I didn't make top 3 but 4th wasn't bad and I fishing was no deeper than 12 feet and I was not drop shotting!
Hey Paulie, you were so wrong when you said on that shit day on the Hudson "In a few weeks when you're on Lillinonah you're gonna wish you were back here." Your prediction was way off the map the Hudson does not compare, Lillinonah kicked it's ass!
No one skunked either!

:laugh: :laugh: :laugh: :huh: :dry:

According to Kenny, Paul has an open seat to fish the Hudson. However, I do not think he means for a tournament.
