Congratulations to JP and Joe for winning the lake Lillinonah team tournament. JP had a real nice bag and also took big bass honors and Joe had two nice supporting bass that put them over the top. Second place went to Vito Anzaldi and Brian Hollec. Third place went to team Wiltshire. Mike and Nick.

Congrats to JP & Joe Riese for the team win on Lillinonah!

Congrats to Vito & Brian for 2nd place and to Mike and Nicky Wiltshire for 3rd, they were the only boat with both anglers bringing in a limit!

Actually... it was quite a bit later than that,

But... I do remember the stamping on the deck, cursing, and growling for several minutes, when you did not get fish to the boat... :laugh:

Prick... ;)
