Congratulations to 1st Place Kevin, 2nd Place Cowboy Bill and 3rd Place JohnnyBigBass. It was TOUGH! I scratched out a SMALL limit day 1 and zeroed on day 2.

Congrats to Mikey Dust for the day 1 lunger of 3 Lbs 11.5 Ozs and Cowboy Bill day 2 lunger also a 3 Lb 11.5 Oz Largemouth Bass.

The big Smallie of the tournament was brought in by JohnnyBigBass 3 Lbs 9 Ozs on day 1.

FUCK Oneida, I am never going back there, it's too far for a crap shoot!

As far as season is concerned if you go earlier you need to make arrangements WAY in advance and expect to pay WAY more for the rooms in the Summer and expect the crowds to be much bigger from what I'm told. If you go later into October, I'm not into 30 degree air temps to start the tournaments.

If the committee picks Oneida again I might just sit it out! But you never know!

:laugh: :laugh:

I will tell you that I enjoyed the time we spent off the water with all of you and we had a lot of laughs! That made the trip worthwhile!

:laugh: :laugh: :huh: :dry: :woohoo:
