We had a great time fishing at Great Sacandaga with good friends!

The fish were biting and yes as the members said we experienced the toughest fighting Smallmouth we have ever caught! Congratulations to the top finishers!

Day One Saturday 7-25-20;

1st Mike Wiltshire 9 lbs 10.5 ozs.

2nd Joe Riese 9 lbs 7 ozs.

3rd Kenny Case 7 lbs 2 ozs.

All 3 had limits of Smallmouth. The big bass of the day was caught by Bill Kohler a 2 lb 5 oz Smallie!

Day Two Sunday 7-26-20;

1st Mike Wiltshire 9 lbs 2.5 ozs.

2nd Bill Kohler 8 lbs 9 ozs.

3rd Nicky Wiltshire 5 lbs 4.5 ozs.

Mike had a limit of 1 Largemouth and 4 Smallies Bill had a limit of Smallies and Nicky had 1 Largemouth and 3 Smallies.

Big Bass was caught by Mike Wiltshire a 3 lb 1.5 oz Largemouth. Sunday was a tougher day and at about 11 AM with 2 hours to go the wind picked up pretty good making it a little tough to stay on spots.

All in all it was a good weekend with good friends! Gotta love being an Outcast!

By the looks of those weights, I would say the best part of the weekend was hanging out after fishing.

It was a weekend away the weights were not the worst we have seen BY FAR at a weekend away I have records with way less caught when we went to a new place, with many more anglers. We won't go again for sure but the fish were plentiful and fought well for there size.

Thanks for the great posting Kenny. Congrats to the Top finishers! Especially Mike Wiltshire with an 80 point weekend. It was great to get together to fish and catch up. And we also got to eat in a restaurant together. And yes those were some of the meanest smallmouth that I ever caught.

I liked the lake, it was brutally hot, it has potential.

Probably be better in fall, when smallies are really on...
