
Stay Alive & T-shirts

Hello all! I will be bringing vials of "Please Release Me" (stAy alive) to the Classic . I also will have your Classic t-shirts with me and would like to distribute them at dinner on Thursday evening. I asked John to find a place for us all to sit down and have dinner together . Not sure how well he did . Hopefully it's not McDonald's. Although the Kohler's would like that. LOL
