Thanks for accepting me onto the Outcast family! Definitely one of the toughest weather conditions I have ever fished. Thanks again for welcoming me. Looking forward to great 2022 season!

Congratulations Carlos, that 18 Lb. 8.5 oz bag of Bass was ass kicking on a day with such strong wind, Joe called it blustery but that is definitely an understatement!

Congrats also on the 4 lb 11 oz Smallie Lunker!

Welcome to the Outcast family!

I caught a nice Trout but released her and that was the only bite I got!

Congratulations Kevin with an 8 lb 8.5 oz limit for 2nd place.

Congratulations to Joe Pido taking 3rd with 3 Largies weighing 6 lbs 2 ozs. And welcome to Outcast! (even though you are are a Red Sux fan....:woohoo: :huh:)
