
Congratulations Congamond Day 1 Top 3

Posted by Joe - 2022/05/14 15:17

As everyone knows the two Congamond tournaments were separate. Day one was tournament number two for the club and day two was tournament number three for the club. Day one was won by my partner for the day, Mike Wiltshire who culled several limits and weighed in 13 plus pounds of Bass. Mike also weighed in the lunker for the tournament. 2nd Place went to Joe "Smooth" Regula. 3rd place went to Club President and Perennial Congamond top finisher Kenny Case. Most club members caught fish, although they were a little stingy at times.

1st Place Mike Wiltshire

2nd Place Joe Regula

3rd Place Kenny Case

Lunker Mike Wiltshire
