Thanks guys! It was another great day on the water! I very much appreciate the ribbing I got for the jig stuck to my face!
Congratulations to all who participated.

I spoke to Carlos on Sunday morning and he said he was "jig free" by 8 PM on Saturday evening!

For those who missed the point.....Carlos definitely got the point!

This gives a new meaning to the word "Jighead"

:laugh: :woohoo: :ohmy: :huh: :dry:

And the guy kept fishing ! Most of us wouldâ€™ve have went home and cried Momma .

This mishap happened around 1:30 pm . Carlos had two good fish in his limit and culled out 3 pins in short order to get his 15 lbs . Imagine landing good fish with a jig flapping in your chin . Sounds painful .

Spoke to Carlos on Sunday and heâ€™s ready to go out again. But this time , with no flying jigs to his face .

Joe I think you need to buy Carlos a fencing helmet.
