And congratulations to you Dennis for catching a 4 lb. 3 oz. Lunker and taking care of Billy Dust all day. Your regular partner is a lot better looking. Lol

Congratulations to the top individual finishers , and to team Joe and Kenny. Some nice fish brought to the scales despite tough conditions.

Canâ€™t believe we are almost in the halfway point of the schedule . Time to get serious .

See you all in Cayuga â€”I mean Saratoga . ( hint , hint )
