Congratulations to the top finishers at Bantam Lake. Anglers were able to overcome extreme post frontal conditions, with bluebird skies and wind. First place was taken by my partner, Bill Steinmann, who hammered them in a short time frame window, for a total of five bass weighing 16 lb 5 oz. He also took big bass of the tournament with a 5 lb 8 oz lunker. No other Anglers weighed in a limit.

1st Place Bill Steinmann
2nd Place Dennis Packes
3rd Place Carlos Perez

Big Bass Bill Steinman

Congrats for second place Dennis. You have been doing well.

And Congrats to you Carlos for third place in what I am sure was a very Tough Tournament.
