2009 Schedule is posted Posted by Kenny - 2008/12/30 22:18
The new schedule for 2009 is posted in the "Club Information" section of the website. Anyone who has a printed schedule issued to them prior to today (December 30th) there are a few typos on them. I will have the corrected printed copies at the Jan. 15th, 2009 meeting.
