## ATTENTION EVERYONE : BANTAM CHANGE

Guys, I spoke with Kenny today. We have some concerns that with the weather being 75 degrees and sunny on Saturday that many people will be putting their boats in the water. The DEC cannot guarantee that someone will be there early to secure our spots. We do not want to show up at 7 or 7:15 to find 11 trailers parked already.

We believe it's in our best interest to have the tx. from 7-3 instead of 8-4. Also, there is a jerkoff rowing contest starting at 2:30...this would only interfere with us for only a half hour. Remember...our original thinking on 8-4 is that early in the spring it could be cold...like the other day and typically the bite gets better as the day goes on...but we got 75 degrees!!! Nicey nice. If anyone has any issues with this, please meet Nicky in the ring....

Just as Mike said we could not have our parking spots guaranteed and the only answer from DEP was to "arrive early" so if I'm going early we should fish early as well so 7 AM to 3 PM it is!  
See you all Saturday morning and don't forget to bring your "A" game!  
Bitches! :woohoo: :laugh: :dry:

everybody got jokes bitch.....

lets just hope that new boat of yours isn't jinxed. I've seen it happen, and it's not a pretty sight.

A guy trades in his old boat that he was very successful with for a shiny new one, and next thing you know, he can't fill the livewell if he was fishing with dynamite.....

not that it has anything to do with you, just figuratively speaking....

sweet dreams bitch, and try to not listen to the voices in your head.

oohh shit.....

I said head.....

my bad.....lol
