Yo Dennis...nice bag on a rather tough day. Seemed like there was an early bite and things got real quiet. Real nice doing it from the back of the boat. Good day for Rat's boat...first and third!!

See you at Candy....bitch!

Nice job D, Mikey, and Nicky. Very tough bite, way to scratch a limit together.

Congrats to you Dennis, it was a difficult bite but you brought in a nice limit and the lunker!

Mikey Snake nice bag for 2nd only out 6.5 ozs from the winner!

Nicky nice 3rd place bag and just 1 lb 1 oz off the leader!

Limits not easy to get yesterday!

I'll be posting results under a different topic since we cannot do it anywhere else on the site! :woohoo: :S :blink: :dry:

Thanks guys.....

To me, winning a Tx in Outcast is a great accomplishment, due to the commitment and skill that all of you display day in and day out...

I have never seen a more dedicated group of fisherman in my life.

I'd just like to add, that you guys are the coolest people I've ever had the pleasure to fish with !

I love you guys.....

DP.

Congrats Dennis,

You earned a bottle of Spray Nine. Sorry that we were not around for the weigh in. I got stopped by the DEC officer on the way in and he told me that I could not run my boat on plane to the weigh in and or back to the other launch, as we would swamp the skulls. Did not matter as both Roberto and I had skunked. The ride back was slow. Roberto's leg was hurting from the heat as well. However, I do apologize to the tournament committee that Roberto was not at the weigh in. As we started back to the White Memorial launch we realized that he should have gotten out to help at the weigh in. If we did not have to travel so slow I would have turned around. Sorry about that please do not hold it against him. Again Congratulations to the "PAC-MAN" on his victory!
