## Fishing with Mike W and Jake

Back on June 13 I had the pleasure of meeting young Jake. This is Mikes nephew. Jake was extremely well behaved, had a great attitude was a lot of fun and a great fisherman. Jake had success with a variety of lures and species. With a popper a boatside explosion got his adrenaline going and a couple casts after that he bagged his doubleheader of bluefish on one plug. Talk about smiles, laughs and high fives all the way around. On a pink tube and chartruese gulp he bagged fluke. We were blessed with a day that we wished we had 3 nets and pairs of pliers. Great day. Hope to get you out again Jake.
